Dear Mr. Naman:

The Trinity Adaptive Management Working Group (TAMWG) met on August 25, 2015 via teleconference to review the Draft 2016 budget. This letter serves to provide you with a summary of that meeting with our resulting policy and management recommendations, as required by TAMWG's bylaws.

We received public comments from Lewiston landowner and TAMWG alternate Kristi Bevard.

Executive Director Robin Schrock presented the FY 15/16 budget to the TAMWG and the TAMWG passed the following motion:

TAMWG recommends to the TMC that for the 2016 budget, an additional \$1-2 million be transferred from mainstem work to watershed restoration work.

The TAMWG's next meeting will be September 15.

Please contact me if you have any questions.

Sincerely,

Tom Stokely, Vice-Chairman
Trinity Adaptive Management Working Group
